

ATTENTION!

Please note that you alone are responsible for your safety when leaving marked, open slopes and moving in unsecured terrain.

Ski slopes: marked, controlled, prepared and secured.

Ski routes: marked and controlled only against the danger of avalanches but neither prepared nor secured.

Ski slopes out of use from 04.30 pm to 08.00 am each day. During these times there will be no emergency patrol on duty. Risk of injury due to works on the slopes, ruts, winch ropes, exposed cables and hoses of the snow cannons etc.
